RE: Request for Concurrence on a Suitability Determination for an Off-Site Facility to
Manage WAG 3 CERCLA Waste

Dear Ms. Hain:

I have received your letter of June 17, 2004, requesting the Idaho Department of Environmental Quality's (DEQ) concurrence to utilize the Central Facility Area Industrial Waste Landfill for disposal of approximately 300 cubic yards of industrial waste from the CERCLA Non-Time Critical Removal Action demolition of building CPP-627 at WAG 3. We have reviewed the information enclosed with your letter and believe it demonstrates that the landfill is in compliance with all applicable federal, state, and local regulations. Therefore, DEQ concurs with your request.

Sincerely,

Mark K. Clough for:
